Welcome to your Home Insurance

Thank you for taking out our Home Insurance. Your policy is provided by RSA, one of the UK's largest and oldest insurers.

Whenever the words company/our/us/we are used in this policy we mean your underwriter. If you are a home owner, it is important that you regularly maintain your property keeping it in good condition and in good repair. And if you are planning to make any home improvements such as a loft conversion or adding any room space, let us know so we can ensure you're properly covered.

Of course, we hope you are never unfortunate enough to need to make a claim. But, if you do, you can rest assured that you will enjoy an excellent service from our team of claims specialists.

But first things first – we want to help you understand your home insurance policy. It is very important that you have sufficient cover. After all, the last thing you would want is to be under insured. That's why you can add flexible options to your policy, for example garden cover for your plants or pedal cycles. That way you are covered for the things you need, without paying for the things you don't. Take a look at the options available to learn more about some of the features of our additional covers, and if you have not already chosen them, you can always give us a call to arrange them for the future.

The next few pages give you a summary of some of the covers that you may have chosen. For a full explanation of each cover, including any relevant exclusions, please see the complete section in this booklet.

Buildings option

We'll cover you for the buildings of your home and other permanent structures on your land such as garages and outbuildings, drives, walls, fences and gates against damage by fire, flood, subsidence and other similar causes.

Contents option

We'll provide you with cover for contents in your home against loss or damage by fire, flood, storm, theft, escape of water and other similar causes.

Accidental Damage

Accidental Damage means sudden, unexpected and visible damage which has not been caused on purpose.

Personal belongings

From your watches to mobile phones, make sure you have enough cover for all your personal items, whether you are at home or out and about.

Garden cover

Protect your plants, garden furniture, lawns and tools. We'll even re-landscape your garden should emergency services ever damage it.

Pedal Cycle cover

Make sure you have enough cover for all your pedal cycles whether you are at home or out and about.

Welcome to your Home Insurance (continued)

Home Emergency Assistance

If your roof, doors or windows get damaged, or if you have blocked drains, burst pipes or problems with your main heating system, you will want a repair straight-away.

Legal expenses

Provides legal advice and representation if you, or family member who always live with you have a legal dispute covered by this section of the policy.

About your policy

Understanding and using your policy

This section 'About your policy' does not form part of the legal contract between you and us. It includes information which will help you to understand and use your policy.

Insurance policies can be difficult to understand so we have tried to make this policy easy to read. Some words have a special meaning in your policy and these are listed and explained on pages 11 to 14 and 56 to 57 'Words with special meanings'. From now on whenever a word with a special meaning is used it will be printed in bold type.

Your policy is in two parts – the policy wording and the schedule.

The policy wording explains what is and what is not covered, how we settle claims and other important information.

The schedule shows which sections of the policy wording apply, the limits to the cover and the premium. Please keep your schedule with the policy wording.

We will send you a new schedule whenever you or we make a change to the insurance and each year before renewal so you can check that the cover still meets your needs.

Once you have received your policy you will have 14 days to make sure the cover is exactly what you need. If it isn't, you can send back your documents and ask us to make any necessary changes. Alternatively, you can request cancellation of the policy and you will receive a full refund of premium, as long as no claim has been made.

It is an annual contract and may be renewed each year subject to the terms and conditions then applicable.

Remember to keep your sums insured (which are shown on your schedule) up to date.

If you have selected contents and personal belongings insurance, your cover is for replacement as new. Remember to keep your sums insured up to date when you buy new items. Items such as jewellery, articles of precious metal, clocks, watches, paintings, works of art, often change in value. These changes are not reflected in the indices used for inflation protection and you should make certain that these items are insured for the correct amount at all times.

If you have any questions please contact us. The telephone numbers are shown on your schedule.

What to do if you have a complaint

Our commitment to customer service

At RSA, we are committed to going the extra mile for our customers. If you believe that we have not delivered the service you expected, we want to hear from you so that we can try to put things right.

Our promise to you

We will:

- Acknowledge your complaint promptly
- Investigate your complaint quickly and thoroughly
- Keep you informed of progress
- Do everything possible to resolve your complaint fairly
- Ensure you are clear on how to escalate your complaint, if necessary.

Step 1

If your complaint relates to your policy then please contact the sales and service number shown in your schedule. If your complaint relates to a claim then please call the claims advice helpline number shown in your schedule.

We aim to resolve your concerns on an informal basis, within three business days. Where we have been able to, we will send you a letter confirming this. We'll also explain how you may be able to refer the matter to the Financial Ombudsman Service if you subsequently decide that you are unhappy with the outcome.

Step 2

In the unlikely event that we are unable to resolve your concerns through our informal complaints process, our Customer Relations Team will then review the matter on behalf of our Chief Executive. Once our Customer Relations Team have reviewed your complaint they will send you a final decision in writing within 8 weeks of the date we received your complaint. Their contact details are as follows:

What to do if you have a complaint (continued)

If you are still not happy

If you are still unhappy after our review, or you have not received a written offer of resolution within 8 weeks of the date we received your complaint, you may be eligible to refer your case to the Financial Ombudsman Service. The Financial Ombudsman Service is an independent body that arbitrates on complaints. They can be contacted at:

Post: Financial Ombudsman Service
Exchange Tower
London E14 9SR

Telephone: 0800 023 4567 (free on mobile phones and landlines)
0300 123 9123 (costs no more than calls to 01 or 02 numbers)

Email: complaint.info@financial-ombudsman.org.uk

Website: www.financial-ombudsman.org.uk

You have six months from the date of our final response to refer your complaints to the Financial Ombudsman Service. This does not affect your right to take legal action, however, the Financial Ombudsman Service will not adjudicate on any case where litigation has commenced.

Thank you for your feedback

We value your feedback and at the heart of our brand we remain dedicated to treating our customers as individuals and giving them the best possible service at all times. If we have fallen short of this promise, we apologise and aim to do everything possible to put things right.

How to make a claim

If you need to make a claim, what you need most of all is speedy, professional, practical help. That is exactly what we provide.

When an accident happens, you should take any immediate action you think is necessary to protect your property and belongings from further damage, such as switching off the gas, electricity or water.

Call our claims helpline on the number shown on your schedule. Please have your policy number handy when you call. While most claims can be agreed over the phone, there may be times when we will ask you to complete a claim form and provide us with further information and/or we may wish to arrange a visit and inspection.

To help us deal with your claim quickly, please read this policy booklet carefully, particularly the Claims conditions and Policy exclusions on pages 18 to 21.

Guidance when making a claim

Claim notification

Conditions that apply to the policy and in the event of a claim are set out in your policy booklet. It is important that you and your family comply with all policy conditions and you should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require you to provide us with any reasonable assistance and evidence that we require concerning the cause and value of any claim. Ideally, as part of the initial notification, you will provide:

- Your name, address, and your home and mobile telephone numbers
- Personal details necessary to confirm your identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses

This information will enable us to make an initial evaluation on policy liability and claim value. We may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs, bank or credit card statements, utility bills, pre-purchase surveys, or plans or deeds of your property
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item you are claiming for is beyond repair

Where we have asked you for specific information relevant to your claim we will pay for any reasonable expenses you incur in providing us with the above information.

Sometimes we, or someone acting on our behalf, may wish to meet with you to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Preferred suppliers

We take pride in the claims service we offer to our customers. Our philosophy is to repair or replace lost or damaged property, where we consider it appropriate, and we have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions.

Where we can offer repair or replacement through a preferred supplier but we agree to pay our customer a cash settlement, then payment will normally not exceed the amount we would have paid our preferred supplier.

The insurance contract

This policy is a legal contract between you and us. The policy wording and schedule make one document and must be read together. Please keep them together.

The contract is based on the information you gave us when you applied for the insurance.

Our part of the contract is that we will provide the cover set out in this policy wording:

- for those sections which are shown on your policy schedule;
- for the insurance period set out on the same schedule.

Your part of the contract is:

- you must pay the premium as shown on your schedule for each insurance period;
- you must comply with all the conditions set out in this policy.

There are conditions of the insurance that you or your family will need to meet as your part of this contract on pages 15 to 17. The conditions set out the changes in circumstances that could affect your cover and when we would cancel your policy. Please take the opportunity to read the Policy Conditions.

If you do not meet your part of the contract, we may turn down a claim, increase the premium or you may find that you do not have any cover.

Under the laws of the United Kingdom (England, Scotland, Wales and Northern Ireland) both you and we may choose the law which applies to this contract, to the extent permitted by those laws. Unless you and we agree otherwise, we have agreed with you that the law which applies to this contract is the law which applies to the part of the United Kingdom in which you live, or, if you live in the Channel Islands or the Isle of Man, the law of whichever of those two places in which you live.

We and you have agreed that any legal proceedings between you and us in connection with this contract will only take place in the courts of the part of the United Kingdom in which you live, or, if you live in either the Channel Islands or the Isle of Man, the courts of whichever of those two places in which you live.

This policy has been issued by Royal & Sun Alliance Insurance Ltd in the United Kingdom.

Rights and responsibilities

We may need to get into a building that has been damaged to salvage anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not abandon **your** property to **us**.

You must not settle, reject, negotiate or offer to pay any claim **you** have made or intend to make under this policy without **our** written permission. **We** have the right, if **we** choose, in **your** name but at **our** expense to:

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back from anyone else any payments that have already been made.

You must provide **us** with any information and assistance **we** may require about any claim. **You** must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to.

When **you** call **us** **we** will advise **you** of **our** requirements, which will be either:

- ask **you** to get estimates for **building** repairs or replacement items; or
- arrange for the damage to be inspected by one of **our** Claims Advisors or an independent loss adjuster or other expert – their aim is to help **us** agree a fair settlement with **you**; or

How we settle claims

If **you** wish to claim under this section of **your** policy please follow the steps detailed in the 'How to make a claim' section (page 7). **You** should also read the Claims conditions and Policy exclusions on pages 18 to 21.

How we settle claims for buildings

1. **We** will pay for the cost of work carried out in repairing or replacing the damaged parts of **your buildings** and agreed fees and related costs.

The amount **we** will pay where repairs are carried out will not exceed the lesser of:

- The cost of the work had it been completed by **our** nominated contractor or
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors.

If the repair or replacement is not carried out, **we** will pay the lesser of:

- The decrease in market value of **your buildings** due to the damage
- The cost of the work had it been completed by **our** nominated contractor if the repair work had been carried out without delay
- The cost of the work based upon the most competitive estimate or tender from **your** nominated contractors if the repair work had been carried out without delay.

All building repairs carried out by **our** preferred suppliers and insured under the Buildings section of this policy are guaranteed for 12 months in respect of quality of workmanship.

No allowance will be made for VAT when a cash settlement is made.

2. Where an **excess** applies, this will be taken off the amount of **your** claim.
3. If **your buildings** have not been kept in a good state of repair or if the sum insured at the time of the loss or damage is less than the cost of rebuilding all **your buildings** in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of repairing or replacing the damaged parts of **your buildings** and **we** will, where appropriate, take off an amount for wear and tear.
4. The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to repair the damage to **your buildings** in the same way, size, style and appearance as when they were new, but not more than the sum insured or any limits shown on **your** schedule.

We will not pay for:

- Loss of value resulting from repairs to or replacement of damage to **your buildings**;
- Replacing or changing undamaged parts of **your buildings** which belong to a set or suite or which have a common design or use, such as a bathroom suite or fitted kitchen units, when the damage is restricted to a specific part or clearly defined area (unless stated otherwise within your schedule).

Matching sets, pairs and suites

The following basis of claims settlement is only provided if shown as included on **your** schedule.

If a part of a set, pair or suite is lost or damaged by a cause covered under **your** policy and **we** cannot repair or replace it with an item of the same colour, make, model, material and size we will:

- Replace the whole set, pair or suite as new;
- Pay the cost of replacing the whole set, pair or suite as new, up to the amount it would have cost **us** to replace the set, pair or suite using our preferred suppliers; or
- If no equivalent or replacement set, pair or suite is available, pay the full cost of the set, pair or suite.

If we ask **you** to, **you** will have to give up the undamaged parts of the pair, set or suite to **us** where the full replacement cost has been paid.

We will not cover the cost to replace all undamaged parts of a matching set, pair or suite where the cost to repair or replace the lost or damaged part is below the policy **excess**.

How we settle claims

If **you** wish to claim under this section of **your** policy please follow the steps detailed in the 'How to make a claim' section (page 7). **You** should also read the Claims conditions and Policy exclusions on pages 18 to 21.

How we settle claims for contents

1.
 - a. Where the damage can be economically repaired **we** will pay the cost of repair
 - b. Where the damage cannot be economically repaired and the damaged or lost item can be replaced, **we** will replace it. If a replacement is not available **we** will replace it with an item of similar quality.
 - c. Where **we** are unable economically to repair or to replace an item with an item of similar quality, **we** will agree a cash payment with **you** based on the replacement value.
 - d. Where **we** can offer repair or replacement through a preferred supplier, but instead **you** request and **we** agree to pay a cash settlement, then the amount will not normally exceed what **we** would have paid **our** preferred supplier.
2. **We** will not pay the cost of replacing or changing undamaged items or parts of items which belong to a set or suite, or which have a common design or use such as suites of furniture and carpets which are only damaged in one area, when the loss or damage relates to a specific part or part of an item or to a clearly defined area (unless stated otherwise within your schedule).
3. **We** will not pay for any loss of value to any item which **we** have repaired or replaced.
4. Where an **excess** applies, this will be taken off the amount of **your** claim.
5. If loss or damage happens and the sum insured on **your** schedule is less than the cost of replacing all **your contents** as new, **we** will, where appropriate, take off an amount for wear and tear from the cost of the new item unless the item can be economically repaired when only the cost of the repair will be paid.
6. The most **we** will pay for any one claim is the amount it will cost **us** to replace all **your contents** as new but not more than the sum insured or any limits shown on **your** schedule.

Matching sets, pairs and suites

The following basis of claims settlement is only provided if shown as included on **your** schedule.

If a part of a set, pair or suite is lost or damaged by a cause covered under **your** policy and **we** cannot repair or replace it with an item of the same colour, make, model, material and size we will:

- Replace the whole set, pair or suite as new;
- Pay the cost of replacing the whole set, pair or suite as new, up to the amount it would have cost **us** to replace the set, pair or suite using our preferred suppliers; or
- If no equivalent or replacement set, pair or suite is available, pay the full cost of the set, pair or suite.

If we ask **you** to, **you** will have to give up the undamaged parts of the pair, set or suite to **us** where the full replacement cost has been paid.

We will not cover the cost to replace all undamaged parts of a matching set, pair or suite where the cost to repair or replace the lost or damaged part is below the policy **excess**.

Exclusions applying to the Legal expenses section.

The exclusions below apply to all the cover which the **insurer** provides under this **Legal expenses** section. **You** should also refer to the specific exclusions shown under each part of the **Legal expenses** section on pages 58 to 61 and to the general Policy exclusions shown on pages 19 to 21 of this policy.

What is not covered.

1. Any claim where there is not a reasonable chance of **you** winning the case and achieving a reasonable outcome.
2. Any event, dispute or cause of action that first happened or started before **you** took out this insurance.
3. An event which **you** report to **us** more than six months after it happened.
4. **Legal expenses** which apply to the period before **we** have agreed in writing to support **your** claim.
5. **Legal proceedings** where a reasonable estimate of **your** total **legal expenses** is greater than the amount in dispute.
6. Any **legal expenses** **you** could claim under any other insurance.
7. Any **legal proceedings** over loss or damage covered under a specific insurance policy.
8. A dispute about either the amount an insurance company should pay to settle an insurance claim or the way a claim should be settled.
9. Defending **legal proceedings** that are connected with:

Legal expenses (continued)

Policy conditions

You will need to meet the conditions set out in the Policy conditions on pages 15 to 17 as these conditions apply to the whole policy. In addition, for this section **you** must also meet the following conditions.

1 Preventing legal proceedings

You must take all reasonable measures to prevent or avoid being involved in **legal proceedings** and keep the cost as low as possible. The legal helpline is available 24 hours a day 7 days a week, to provide **you** with advice concerning **your** problem.

2 Arbitration

If there is a dispute between **you** and **us** or the **insurer** about this section of the policy, it can be taken to an independent arbitrator. The arbitrator will be a solicitor or barrister **you** and **we** agree to. If **we** cannot agree with **you** on an arbitrator, the President of the Law Society (or similar organisation within the appropriate **territorial limits**) will choose an arbitrator.

The side that loses the **arbitration** will pay all the costs of the **arbitration**. If the decision is not totally in favour of one side, the arbitrator will decide who pays the costs. If **you** lose, the policy will not cover these costs.

Claims conditions

You will need to meet the conditions set out in the Claims conditions on pages 18 to 19 as these conditions apply to the whole policy. In addition, for this section **you** must also meet the following conditions.

1 Telling us about the claim

If anything happens which might lead to a **legal expenses** claim, **you** must tell **us** as soon as possible by filling in a claim form. **You** must tell **us** fully and truthfully in writing all the details about **your** claim and give **us** all the information that **we** may need. Until **you** have told **us** about the claim and **we** have given **our** written agreement, the **insurer** will not be responsible for any **legal expenses**. The **insurer** will not cover **legal expenses** involved in **your representatives** handling the claim before the date when **we** gave **our** written agreement. **You** must have told **us** about the claim within six months of the cause of action arising.

2 Giving our agreement

We will agree if all of the following apply:

we think **you** have a reasonable chance of winning **your** case and achieving a reasonable outcome.

- the **legal proceedings** arise from a cause of action which is covered by this insurance. This cause of action must happen within the **territorial limits** and during the **insurance period**.
- the **legal proceedings** will be dealt with by a **court** within the **territorial limits**.
- **you** have kept to the terms and conditions of the policy and none of the exclusions listed on page 62 apply.

In circumstances where **we** have chosen a **representative** to act on **your** behalf **we** will pay **legal expenses** incurred for providing the initial assessment of the claim irrespective of the prospects of success or whether the claim is covered under this policy.

Where **you** have chosen **your** own representative any **legal expenses** incurred in providing initial assessment shall only be covered where there are reasonable prospects of successfully pursuing or defending the **legal proceedings** and the claim is covered under all other terms and conditions of the policy.

The decision to grant consent will take into account the advice of **your representative** as well as that of **our** own advisers. **We** may require, at **your** expense, an opinion of Counsel on the merits of the **legal proceedings**. If the claim is subsequently admitted **your** costs in obtaining such an opinion and providing such advice will be covered under this insurance.

If, during the claim, **we** think that there is no longer a reasonable chance of **your** winning the case and achieving a reasonable outcome, **we** may not continue to support **your legal proceedings**. If **we** do not carry on with **your** claim, **we** will tell **you** why.

If **you** decide to commence or continue **legal proceedings** for which **we** have denied support under this Claims Settlement Condition and are successful, **we** will pay **legal expenses** as if **we** had given **our** consent in the first instance.

Legal expenses (continued)

3 Choosing a representative

In the period before **Court** papers need to be issued (or have been received) **we** may refer **your** case to a suitably qualified **representative** to act on **your** behalf.

At the point where **Court** papers need to be issued (or have been received), or where there is a conflict of interest, **you** are free to choose a suitably qualified **representative**.

You will need to satisfy **us** that **your representative** has the appropriate experience and skills to handle **your** claim.

Where **we** agree to the appointment of a **representative** of **your** choice **you** must confirm that **your representative** will not charge more than a **representative** chosen or suggested by **us**, or that **you** will pay any difference between **your** chosen **representative's** fees and those of a **representative** chosen or suggested by **us**. **We** will not pay **your** choice of **representative** more than **we** would pay our own choice of **representative**.

In selecting the **representative** **you** shall have a duty to minimise the cost of **legal proceedings**. If **your** choice of **representative** has to undertake work to familiarise themselves with the work already undertaken on the case, **we** will not pay for this work to be done. Any **representative** **you** choose is appointed to act for **you**.

If **we** and **you** cannot agree whether **court** papers need to be issued or the choice of **representative**, **you** can take the matter to an independent arbitrator. This process is set out on page 63.

4 Rights and responsibilities

You must tell **us** if an offer is made to settle the dispute. **You** must not negotiate or agree to settle the dispute without getting **our** agreement beforehand. If **you** do not accept a reasonable offer to settle the dispute, **we** may not continue to support **your** claim.

You must send **us** all bills for the **representative's legal expenses** as soon as **you** receive them. **You** must confirm to **us** that any charges **you** have to pay for the **representative** handling this dispute are acceptable and that **we** may pay the bill for **you**.

You and **your representative** must take every step to recover **legal expenses**. **You** must pay any recovered **legal expenses** to **your representative** who must then refund any **legal expenses** which the **insurer** has paid or has been asked to pay.

If the **insurer** pays **legal expenses** up to the policy limit and **you** pay more **legal expenses** to end **your** case, the **insurer** and **you** will share any **legal expenses** that are recovered.

The **insurer** and **you** will each receive the same percentage as originally paid.

5 Information your representative will need from you

You must give **your representative** all the information and help he or she may need.

This will include a truthful account of the facts of **your** case and any paperwork to do with **your** case. **You** owe the same obligations to **us** as to **your representative**.

6 What you and your representative must do for us

We must be able to contact **your representative**. **You** and **your representative** must co-operate and tell **us** about developments to do with **your** case. If **we** ask for this, **we** must be able to have access to **your representative's** files. This includes the truthful account of the facts of **your** case and any paperwork **you** have supplied to **your representative**.

If **your representative** wants to consult a barrister or **expert witness**, **we** will agree if **we** think it is reasonable. **You** must give **us** the name of the barrister or **expert witness**, and the reasons why **you** need one.

7 Appealing against a court's decision

If **you** want to appeal against a **court's** decision, **you** must give **us** **your** reasons for bringing the appeal. **We** will give **you** **our** agreement if all of the following apply:

- **You** tell **us** that **you** want to appeal as soon as **your** right of appeal arises. This is because strict time limits may apply.
- The appeal arises from **legal proceedings** to which **we** have already given **our** agreement under the terms of Claims Condition 2 on pages 63 to 64.
- **Your** appeal meets the requirements of Claims Condition 2 in the same way as **your** initial claim for **legal expenses**.

Legal expenses (continued)

8 What action we may take

We may take over, in **your** name, all legal action in any of the following circumstances:

- If the dispute is for an amount which is under £5,000 or if the dispute could be dealt with by the small claims **court**.
- If **you** take legal action against someone or defend a case without **our** agreement, or in a different way from that advised by **your representative**.
- If **you** do not give proper instructions to **your representative** or barrister in time.
- If **you** cause a delay and **your representative** thinks it will harm **your** case.

In these circumstances, **we** may carry out **our** own investigation and try to settle **your** dispute. **You** must agree to a settlement which is reasonable.

If **we** ask, **you** must tell **your representative** to get the **court** to tax **your legal expenses**, or get the Law Society to certify them according to the Solicitors Act 1974 or the Solicitors Remuneration Order 1972.

If **you** withdraw from defending a **full enquiry** by the Inland Revenue without **our** agreement, **we** will be entitled to recover from **you** any amounts the **insurer** paid during the defence.

How we use your information

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This Privacy Notice will help you understand the following:

Who are we?

We are Royal & Sun Alliance Insurance Ltd (RSA), we provide commercial and consumer insurance products and services under a number of brands, such as MoreThan. We also provide insurance services in partnership with the West Brom.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed, to send you news and offers related to our products and services.

We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance (e.g. car make and model, your home).

We may need to check information you have submitted with external companies/organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information. To service your policy, we might contact you via our website, emails, telephone calls or post. When using these services we might record additional information, such as passwords, online identifiers and call recordings.

For some of our products, we may collect information through smart sensors to assess your insurance needs (e.g. a black box installed in your vehicle when you buy a telematics driving product, which collects and uses geo-location and driving behaviour data).

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application to us, you may provide us with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

- **Performance of contract:** We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).
- **Consent:** In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as "special categories of personal data".

For marketing, you will always be given a choice over the use of your data.

- **Necessity to establish, exercise or defend legal claim:** If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.
- **Compliance with a legal obligation:** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests:** We will also process your personal information where this processing is in our "legitimate interests". When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

How we use your information (continued)

Where else do we collect information about you?

Where possible, we'll collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was given to us by someone who applied for an insurance product on your behalf (e.g. an insurance broker, a family member) where you have given them the permission to do so; or
- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

We do not disclose your information outside of RSA except:

- Where we need to check the information you gave to us before we can offer you an insurance product (e.g. reference agencies);
- Where we are required or permitted to do so by law or relevant regulatory authority (e.g. financial crime screening, fraud detection/prevention);
- Where we provide insurance services in partnership with other companies (e.g. building societies, large retailers);
- In the event that we are bought or we sell any business or assets, in which case we will disclose your personal information to the prospective buyer of such business or assets;
- As required to enforce or apply this Privacy Notice, or the contract of insurance itself;
- Within our group for administrative purposes;
- As required in order to give effect to contractual arrangements we have in place with any insurance broker and/or intermediary through which you have arranged this policy;
- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;
- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain "transfer mechanisms" such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- **Smart Sensor Data Analytics** – an insurance product that collects your information using smart sensors (e.g. in car black box) to calculate your insurance risk (e.g. driving score). This may then be used to determine your policy rewards (e.g. cash back for safe driving) and to calculate your policy renewal premium.

How we use your information (continued)

- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as we continue to have your consent (e.g. we would stop contacting you for marketing purposes once you have asked us to).
- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
- For as long as your information is required to allow us to conduct fraud and/or criminal checks and investigations.

Will you be contacted for marketing purposes?

If you have agreed, we might contact you by post, email, phone and text message to let you know about offers and services we think you'll like. The messages may be personalised using information you have previously provided us.

You can ask us to stop contacting you for marketing purposes at any point.

We will only contact you for marketing purposes if we collected your information directly, except when authorised and instructed by the third-party acting on your behalf.

We may use the information which we collect about you to show you relevant advertising on third-party websites (e.g. Facebook, and Google). This could involve showing you an advertising message where through the use of cookies, we know you have browsed our products and services. If you don't want to be shown targeted advertising messages from us, you can change the advertising setting on some third-party sites and some browsers to block our adverts.

Your information is incorrect what should you do?

If you hold a product or service with us and think that the information we hold about you is incorrect or incomplete, please contact us and we will be happy to update it for you.

What are your rights over the information that is held by RSA?

We understand that your personal information is important to you, therefore you may request the following from us to:

1. Provide you with details about the personal information we hold about you, as well as a copy of the information itself in a commonly used format. [Request Ref: DSR 1]
2. Request your personal information be deleted where you believe it is no longer required. Please note however, we may not be able to comply with this request in full where, for example, you are still insured with us and the information is required to fulfil the conditions of the insurance contract. [Request Ref: DSR 2]
3. Request the electronic version of the personal information you have supplied to us, so it can be provided to another company. We would provide the information in a commonly used electronic format. [Request Ref: DSR 3]
4. Request to restrict the use of your information by us, under the following circumstances [Request Ref: DSR 4]:
 - a. If you believe that the information we hold about you is inaccurate, or;
 - b. If you believe that our processing activities are unlawful and you do not want your information to be deleted.
 - c. Where we no longer need to use your information for the purposes set out in this Privacy Notice, but it is required for the establishment, exercise or defence of a legal claim.
 - d. Where you have made an objection to us (in accordance with section 5 below), pending the outcome of any assessment we make regarding your objection.

In each case under section 5 above, we will stop using your information unless we can reasonably demonstrate legitimate grounds for continuing to use it in the manner you are objecting to.

If you would like to request any of the above, please contact us and submit a written request, including the request reference (e.g. DSR 1), as this will speed up your request. To ensure that we do not disclose your personal information to someone who is not entitled to it, when you are making the request we may ask you to provide us with:

- Your name;
- Address(es);
- Date of birth;
- Any policy IDs or reference numbers that you have along with a copy of your photo identification.

All requests are free of charge, although for requests for the provision of personal information we hold about you (DSR1) we reserve the right to charge a reasonable administrative fee where, we believe an excessive number of requests are being made. Wherever possible, we will respond within one month from receipt of the request, but if we don't, we will notify you of anticipated timelines ahead of the one month deadline.

Please note that simply submitting a request doesn't necessarily mean we will be able to fulfil it in full on every occasion – we are sometimes bound by law which can prevent us fulfilling some requests in their entirety, but when this is the case we will explain this to you in our response.
